Tax residency	
<p>Tax regulations require us to collect information about each investor's tax residency. In certain circumstances (including if we do not receive a valid self-certification from you) we will be obliged to share information about your account(s) with His Majesty's Revenue & Customs (HMRC) who may in turn share this information with any or all participating tax jurisdictions.</p> <p>Please indicate all countries in which you are resident for tax purposes and your associated Tax Identification Number(s) in the table below. If you are also a U.S. citizen you must include United States in this table along with your U.S. Tax Identification Number. Please note the Funds cannot accept investments from U.S. Persons i.e. those resident in the U.S. If you are a dual tax resident and rely on tie-breaker rules to determine your tax residence, you must still self-certify all jurisdictions of tax residence on this form.
